

Epoxy Decorative Flooring Finishes Course Details

Richco provides a variety of decorative floor finishes ideal for application in themed areas, retail outlets, and nightclubs, etc. Our decorative finishes include glitter, flake flooring and marble effect.

All Richco decorative floor finishes are for application onto concrete surfaces and are available in different grades depending on the durability required. They offer long-term wear, are chemical resistant and are available in a range of decorative finishes. A variety of anti-slip finishes can also be incorporated into the decorative floor, depending on the slip resistance required.

Richco decorative flooring can be specifically designed and installed for each particular project, thereby creating bespoke installations for individual customer needs.
